

Registration

All documents required for the application must be transmitted to the FRQ no later than the competition deadline 06 November 2020 at 16:00.

Please pay attention to the program rules ([Web page of the program](#)) before the completion of an application and make sure that you meet all the eligibility criteria of the program.

CAUTION : Make sure the application you complete is the appropriate form for the fellowship you intend to apply for.

IMPORTANT :

1. Before the submission of the electronic form, your Canadian Common CV (CCV) must have been transmitted in your electronic portfolio (in the Canadian Common CV section) as well as the additional document for your detailed contributions.
2. If both respondents do not have submitted their letter of recommendation before the deadline of the competition, your application won't be accepted.

When the « Save » button appears at the end of a section, you must use it to « save » the information entered in the section to finally capture the information in the form using the « valid » button.

IDENTIFICATION

The information below is from the My profile section (main menu) but the user may modify his/her first and last names. If you would like to make changes, please send an e-mail to: correction.nt@frq.gouv.qc.ca. Include the e-mail address that is linked to your user account and the information you would like to change.

Title

Last name

First name

PRIMARY AFFILIATION ADDRESS (grants) / PERMANENT ADDRESS (scholarships and fellowships)

This address comes from the "My profile" section (main menu). For an address to be posted here, you must have selected "Primary Affiliation Address" into the "Type of address" dropdown list. For scholarship and fellowship applicants, the address entered with this type should be their permanent address even if the type says it is a primary affiliation.

Pre-eligibility

By competition deadline, I confirm that I will be Canadian citizen, and domiciled in Québec within the meaning of the Québec health Insurance Act. I agree to take charge that all my respondents submit their letters of recommendation by the competition deadline.

I have read the rules of the program in which I am applying.

On the competition deadline, I will have obtained my Ph.D. degree no more than five years before (date of issue). (See the program rules for exceptions in calculating the eligibility period)

If your answer is yes to the question above “By competition deadline, I confirm that I will be Canadian citizen, and domiciled in Québec within the meaning of the Québec health Insurance Act”, please attach a copy of your Régie d'assurance maladie du Québec (RAMQ) card or a proof of your eligibility for RAMQ AND a proof of a Canadian citizenship.

The document must be readable and of maximum 5 page(s). It must be attached as a PDF file of maximum 2 Mo.

Title and research fields

Research interests in relation to IIASA research programs

The applicant's research topics must be aligned with one or several IIASA research programs. There are currently nine IIASA research programs carrying out research into the dynamics of global change.

- #1: Advanced Systems Analysis
- #2 : Air Quality and Greenhouse Gases
- #3 : Ecosystems Services and Management
- #4 : Energy
- #5 : Evolution and Ecology
- #6 : Risk and Resilience
- #7 : Transitions to New Technologie
- #8 : Water
- #9 : World Population

If you refer at this list, specify in the text field below the number(s) of the IIASA research program(s) aligned with your proposed research:

**Research interests in relation to IIASA
research programs**

*Project title (in French and in English)

Must be in French and in English

Name by order of priority, the research sector(s) to which your research activities belong.

*Sector 1.

2.

3.

4.

Indicate the research discipline(s) that best describe the research.

*Discipline 1.

Discipline 2.

Indicate the main field of research to which your application belongs.

*Field of research

Indicate the research topics that apply to your application.

*Research topic 1.

Research topic 2.

Indicate the field and sub-field of application in which your research activities fit.

Field of application

Sub-field of application

Indicate six keywords, from the most general to the most specific, that best describe your research project or program.

*Keywords

Respondents

Identifier deux personnes répondantes qui fourniront chacune une lettre de recommandation en lien avec votre demande de bourse. Pour ce faire, indiquer leurs coordonnées. À la sauvegarde de cette section, un message leur sera automatiquement transmis pour les aviser qu'une lettre est requise et pour les informer de la procédure à suivre.

Important : Les personnes répondantes doivent transmettre leur formulaire de lettre de recommandation via FRQnet avant la date limite du concours, sinon votre demande sera non admissible.

Vérifier si les personnes répondantes ont un compte FRQnet actif et indiquer l'adresse courriel liée à ce compte. Les personnes répondantes qui avaient un NIP des Fonds de recherche du Québec peuvent l'utiliser pour accéder au nouveau système FRQnet et activer leur compte. Il est important d'indiquer leur adresse liée à ce compte pour qu'elles puissent y retrouver le formulaire de lettre de recommandation à remplir. Si l'une de ces personnes n'a pas de compte, indiquer son adresse courriel professionnelle et un compte sera créé pour qu'elle puisse remplir le formulaire de lettre de recommandation.

Prendre note que le CV des personnes répondantes n'est pas requis pour le FRQSC et le FRQNT, malgré l'indication dans le tableau de suivi de la colonne « Autres statuts », à la page « Mes formulaires ».

Signature and submission

COMMITMENTS OF THE APPLICANT

I declare and warrant the following.

1. All the **information** contained in the application and all the information I shall subsequently provide related to this form or eventual funding (documents or further details required by the Fonds, reports, etc.) is and shall be **accurate and complete**. I shall notify without delay the FRQ of any changes to the information I entered.
2. The co-investigators who will contribute to the research project and the other project collaborators listed in my application, if applicable, have confirmed their commitment to the research project and **authorized me to provide their personal and confidential information**.
3. I have read and agree to comply with the obligations set out in the **Common General Rules** of the Fonds de recherche du Québec (Fonds de recherche du Québec – Nature et technologies, Fonds de recherche du Québec – Santé, Fonds de recherche du Québec – Société et culture, hereinafter the “FRQ”) and the **FRQ’s open access policy for the dissemination of research** (see the DOCUMENTS tab), as they are updated periodically, and meet the terms set out in the **rules of the funding Program** to which I am applying, as well as all other terms set out in the award or grant letter and at the time the payments are made.
4. I have read and shall comply with the standards of ethics and integrity of the FRQ, including those set out in the set out in **Politique d’éthique et d’intégrité scientifique du FRQNT** (see the DOCUMENTS tab), as it is periodically updated, and the ensuing obligations and subscribe to the best practices in my area of research.
5. I have read and shall comply with the provisions of the **Policy on the Responsible Conduct of Research** of the FRQ (see the DOCUMENTS tab), as it is periodically updated, as well as those set out in institutional policies with regard to the responsible conduct of research, as they apply to my research activities. In the event of a substantiated case of breach of responsible conduct of research in connection with my research activities, I agree that the final report following the complaint’s review, including my personal information, shall be transmitted to the FRQ so that the agencies may take appropriate measures. These measures may include sanctions related to the FRQ funding, as well as sanctions pertaining to my eligibility to receive FRQ funding. Should urgent intervention be required to prevent or end damages, the institution may communicate all relevant information to the FRQ without awaiting the outcome of the consideration of the complaint.
6. I am not currently ineligible to receive funding from a Canadian or international research funding agency as the result of a **substantiated case of breach**.
7. I shall advise the Fonds to which I am submitting the application should I become ineligible to apply for funding or receive funding from a Canadian or international research funding agency as the result of a **substantiated case of breach**. The continuation of any FRQ funding may then be considered by the FRQ Responsible Conduct of Research Committee.
8. I understand that failure to comply with any of these commitments may lead to the withdrawal of my application from the review process, or to the suspension, withdrawal, termination or even reimbursement of funding, or any other type of administrative penalty related to the privileges granted by the FRQ.

AUTHORIZATION REGARDING PERSONAL AND CONFIDENTIAL INFORMATION SUBMITTED AS PART OF THE APPLICATION PROCESS

The information entered on the funding application forms and all other forms relating to the management of eventual funding shall be treated confidentially and in accordance with the Act respecting Access to Documents Held by Public Bodies and Protection of Personal Information (CQLR c A-2.1, hereinafter the Act), as well as with the Statement regarding the protection of personal and confidential information in applicant and funding holder files (see the DOCUMENTS tab, hereinafter the “Statement”).

1. **I have read the Statement** and authorize the Fonds to keep, use and release all the personal and scientific information contained in my personal file, in accordance with the terms set out in the Statement and the Act, and on the condition that the individuals authorized to access my personal information undertake to treat it confidentially.
