

FRQNT POSTDOCTORAL RESEARCH SCHOLARSHIP (B3X) RENEWAL APPLICATION FORM REQUEST

This renewal form request is intended for holders of a Fonds de recherche du Québec – Nature et technologies (FRQNT) Postdoctoral Research Scholarship (B3X) who wish to apply for a one-year extension of their scholarship. This request must be sent by email to:

bourses.nt@frq.gouv.qc.ca

Your request will be analyzed and if you are eligible for renewal, a renewal application form will be deposited in your portfolio. You will receive an email informing you of the availability of the renewal application form.

The deadline for submission of the renewal application form will be indicated in your portfolio.

About the renewal application

- 1- To be eligible, the B3X scholarship must have been awarded in the spring of 2018 or later.
- 2- To be eligible, the renewal application must be submitted within the seven (7) final months of the B3X scholarship.
- 3- A renewal application submitted after the end of the B3X scholarship is not eligible.
- 4- No change in research environment will be permitted between the submission of the renewal application and the end of the renewal period.
- 5- The postdoctoral supervisor must complete a letter of support from his or her user account on the FRQNT website. The letter must state the reasons why it is necessary to renew the B3X scholarship.

There are three evaluations per year and three deadlines for submitting a renewal application. These are:

February 1;
June 1; and
October 1.

The evaluation criteria for the renewal application are as follows:

- The progress of the project in light of the methodology and discipline (30%);
- The relevance and added value of an additional year (30%);
- The potential for success (30%); and
- The publications, conferences and other presentations since the start of FRQNT funding of the postdoctoral research (10%).

The renewal application results will be announced about six (6) weeks after each application deadline.
